Dear Judge Dearie:

The government respectfully requests an extension of time in which to respond to the defendant's Motion to Vacate the Convictions on Counts One, Two, Four and Five in the above-referenced matter.

The government's opposition papers were originally due on January 6, 2006. The government respectfully requests an extension of time until January 13, 2006. This is the government's first request for an extension of time. Defense counsel consents to this request.

Respectfully submitted,
